INTERNSHIP EXPERIENCE

SOTT Academy · UI/UX Design Intern

Dec 2024 – Jan 2025

- ▶ Produced 10+ high-fidelity UI mockups and interactive prototypes in Figma and Adobe XD across 2 client projects, keeping user needs, visual hierarchy, and accessibility central to every design decision.
- ▶ Completed 3 rounds of structured design feedback per project, iteratively refining wireframes and UI components — measurably improving interface clarity and reducing revision cycles with each iteration.

Edify Techno Solutions · Web Development Intern

Feb 2024 – Mar 2024

- ▶ Built a fully responsive cafe website from scratch using HTML5, CSS3, and JavaScript — mobile-first by design, achieving visual consistency across 5+ screen breakpoints and a 100% pass rate on cross-device testing.
- ▶ Translated 5+ design mockups into clean, production-ready front-end code using reusable CSS patterns, reducing review iterations by 30% through structured, component-level thinking.

PROJECTS

Burger Restaurant Website — pattio.netlify.app

- ▶ Crafted a bold, responsive landing page with rich typography and vibrant visuals; structured the user flow with clear CTAs to reduce drop-off and make navigation feel effortless from first scroll to final section.

JBL Website Redesign — jbl-headset.netlify.app

- ▶ Redesigned the JBL product page layout and visual language — refining whitespace, typographic rhythm, and contrast ratios across all breakpoints for a clean, brand-consistent experience.

Responsive Lamp E-commerce Website — vividlux.netlify.app

- ▶ Developed a product-focused UI with a cohesive design system — unified color palette, reusable components, and consistent spacing — delivering an intuitive, responsive shopping experience at every screen size.
